PROFESSIONAL SUMMARY

Amazon PPC & E-commerce Specialist with hands-on experience managing Sponsored Products, Sponsored Brands, and Sponsored Display. Skilled in campaign optimization, PPC audits, keyword and search-term analysis, competitor research, and performance reporting, supported by extensive Amazon marketplace and Shopify operations experience.

EXPERIENCE

Amazon PPC Specialist

2024 – Present

- Audited Amazon PPC accounts to identify optimization opportunities in campaign structure, keyword targeting, bidding strategy, budgets, and search terms.
- Conducted keyword research using Amazon Ads Console, Helium 10, and Data Dive.
- Performed competitor research and competitor benchmarking to identify opportunities and improve campaign strategies.
- Built, updated, and optimized Amazon PPC bulk files (flat files).
- Optimized bids and monitored campaign budgets to improve campaign performance.
- Reviewed search term reports to identify high-performing keywords and add negative keywords.
- Managed Sponsored Products, Sponsored Brands, and Sponsored Display campaigns.
- Monitored campaign performance using ACOS, ROAS, CTR, CPC, CVR, impressions, and conversions.
- Improved campaign performance by reducing wasted ad spend through bid adjustments and search term optimization.
- Prepared weekly and monthly PPC performance reports with optimization recommendations.

Shopify Virtual Assistant

2022 – 2024

- Managed listings, collections, variants, inventory, store content, and SEO fields.
- Conducted product and competitor research; coordinated suppliers, fulfillment, and social-ad support.

Amazon Virtual Assistant

2019 – 2022

- Researched OA and dropshipping products using Keepa and SellerAmp; reviewed demand, competition, pricing, fees, and profitability.
- Supported listings, orders, returns, customers, and account monitoring.
